

January Minutes

January's meeting started at 7:45 and ended at 8:27. We started out the meeting by discussing what should happen with the newsletter. Some of the items that we discussed were what to do with the advertisements, what to email out and what to put on the website, when a reminder email will go out and if any printed copies will be made.

A decision was made to put all advertisements on the home page. Minutes will be emailed out in place of the newsletter and it they will also be put up on the website. An email will go out a week before the next meeting reminding everyone of the meeting and any details. Also a few printed copies of the meeting minutes will be available to anyone at the meeting to view.

The 2009 survey was emailed out to everyone. There is also a link on the MCCO website. We have received 14 responses so far. If you have not responded please do so. A reminder email will be sent out.

The Omaha new car show is going on 1/22 - 1/25. The new 2010 Mustang will be there. The MCCO club was contacted and given free tickets for a preview before the show.

The club voted on having a Junior membership. The membership is for any non-licensed Mustang enthusiast. All of the details on the membership are being worked out. It will run \$10.00 for a year. That will include a certificate, Mustang Hot Wheel car and a special place on the website for the Junior members.

New members at the meeting were Steve Taylor along with Amber and Ben Brush. Steve has an '08 Shelby Conv. in vista blue. Amber and Ben have a '65, '66', '00 GT and an '05 GT.

The club has a chili feed scheduled for March 15th at Denny's shop. Come on out for some great chili and some great stories, some stories may not be true but who cares when you have good chili in a garage!

Check out hubgarage.com. It is a great website for the car enthusiast.

Over and out.
