Modify Vehicle

Year: 2015

Entry:

Make: Ford

Model: Roush Stage 1

Style: Fastback

Color: Oxford White

Space:

VIN: 1FA6P8TH1F5307121

Buttons: Delete, Print Label, Save, Cancel

The space field is typically used for the parking space number or number used to identify the individual car and / or judging sheet associated with the car

A typical modify vehicle box where specific information about the car can be edited or completely change the vehicle information if the participant changes vehicles

Modify Vehicle

Mileage:

Class: DSP - 1964-PRESENT - ALL DISPLAY

Status: Did Not Show

Custom Fields

Conservator:

Trailerred: No

Running: Yes

Buttons: Delete, Print Label, Save, Cancel

Status drop down menu for the vehicle this is mostly used by MCA National and another part of motosho

Modify Vehicle

Custom Fields

Conservator:

Trailerred: No

Running: Yes

Clone: No

Fire Extinguisher: No

First Show: No

Buttons: Delete, Print Label, Save, Cancel

The custom fields are related to the motosho mobile app and MCA National however may have possible use by the host club for mobile checkin and classification

Clicking on the print label text will generate a label for use on the judging sheet. This particular label print function currently works only with a specific type of printer know as a Zebra printer. However by encouraging pre-registration and then downloading the vehicle report from the reports tab, a hosting club can create labels using the mail merge function of MS Excel and MS word in order to print a similar type of label.

Tucson, AZ 2015	Running
Class: MC	<u>137</u>
2005	Mustang
RED & WHITE	CONVERTIBLE
VIN:	1FA6P8TH1F537121

Example Label for use in several ways

Each column with the double arrow can be sorted to aid in research and data manipulation
